GRAFTERS

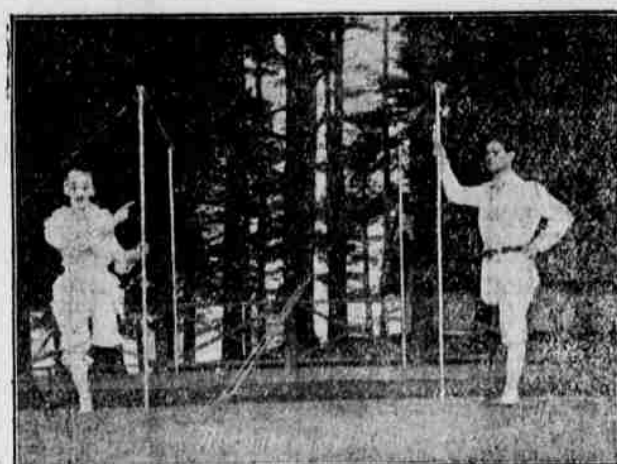

Anxious About
the Fair.

Offer Big Money For
Privileges.

Legitimate Enterprises
Also Plenty.

One Legged Acrobats Will be
Feature This Year.

Since the arrangements for the Summit county fair were started, members of the Agricultural society have been fairly besieged with applications for the various privileges. All the

MANNING AND DUCROW.

usual ones have been let long ago and offers and petitions of many kinds have been brought to the notice and the consideration of members of the society.

Those who are applying are will-

ing to pay a fairly stiff price for their privileges and this is taken as an indication that the Summit County fair is reckoned as a money-maker by the grafting fraternity of the country, as well as for the legitimate enterprises that have been placed.

One enterprising man has offered \$1,000 to the society for permission to place a wheel of fortune on the fair grounds during the fair. It is needless to say that his offer was refused.

The free outside shows that have been added to the list of attractions will make its drawing powers greater. The high dive is pretty thoroughly known to the people of Akron and the act that is most novel is the acrobatic act of Manning and Ducrow, both of whom are one legged men and who will be at the fair. It is said that their performance is marvelous, when the misfortune of each is considered.

Taken all in all, the Summit County fair this year offers inducements that cannot be discounted by any of the fairs in Northern Ohio.

Many physicians are now prescribing Kodol Dyspepsia Cure regularly, having found that it is the best prescription they can write because it is the one preparation which contains the elements necessary to digest not only some kinds of food, but all kinds and it therefore cures indigestion and dyspepsia no matter what its cause.

WAITING

To See What Is
Coming.

City Won't Appeal
From Decision

Of Judge Kohler In
Kenfield Case.

Outlook For City Em-
ployes Is Poor.

They May Get No Pay Until
February.

It is not likely that the city will appeal for a new trial in the Kenfield injunction case.

On Monday a motion to appeal was lost in a vote by the City Commissioners, Messrs. McFarland and Houser voting nay, and Messrs. McMullen and Wilson voting aye.

The objection taken by Messrs. McFarland and Houser was that the appeal would cause an unnecessary expense, with the only satisfaction promised in the result being a further explanation of the office of the General Revenue fund.

So far as the city is concerned the matter of the \$50,000 borrowed twice is a past incident. The terms of the petition for an injunction were not taken to mean a restraint upon the city's taking \$50,000 from the general fund to pay off the debt caused by borrowing. This was done, and whether trouble will follow is a matter whose result the city is now waiting to see.

The situation as it is now means that city employees will have little or no pay from the city from now until the February apportionment is paid into the treasury. However, the situation may change in case of the bond sale's being successful the middle of October. All arrangements have been completed for the bond sale, and nothing has occurred to stop it. The question now is whether bond buyers will bid under conditions now prevailing.

It is also understood that Solicitor Esgate has taken preliminary steps toward obtaining a special act of Legislature next winter permitting the city of Akron to increase its tax levy, and if necessary borrow money to pay off all indebtedness.

BIRTHDAY

Of Father Matthew to be Celebrated Here.

Tuesday evening, Oct. 10, at St. Mary's hall, the anniversary of the birth of Father Matthew, the apostle of temperance, will be celebrated by the Father Matthew Total Abstinence and Benevolent Society of this city.

It is expected that State Secretary T. J. Mundle, of Youngstown, State Treasurer Kittle Bradley, of Cleveland, and Third Vice President Julia Byrne, also of Cleveland, will deliver addresses. After the program a pedro party will be given.

A RICH STRIKE.

No Miner Ever Made So Rich a Strike So Precious to Restless, Sleepless Ones As Dr. A. W. Chase's Nerve Pills.

Inability to obtain refreshing sleep is the bane of many lives. The first and only medicine known to medical science that overcomes this trouble is Dr. W. A. Chase's Nerve Pills. There is a multitude of attending symptoms that vanish when restful sleep is obtained—morning languor, exhaustion on exertion, flagging appetite, poor digestion, palpitating heart, trembling hands and limbs, restlessness, irritable spells. It is easily understood why Dr. A. W. Chase's Nerve Pills dispel the symptoms when you consider their unequalled power in restoring broken nerve circuits.

Mrs. K. Killigrew of No. 538 Exchange st., Akron, Ohio, says: "Dr. A. W. Chase's Nerve Pills are a splendid nerve tonic. I felt badly, slept poorly, was weak, nervous and lacked appetite. I was given the Nerve Pills that Lamparter, druggist, on South Howard st., introduced and they acted finely with me. I sleep well, eat well, feel strong again and the nerves are steady. I am glad to recommend it to others as a reliable and sure medicine in such troubles."

Dr. A. W. Chase's Nerve Pills are sold at 50c a box at all dealers, or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

The articles alleged to have been stolen from the residence of G. Brown, 321 East North st., were returned Saturday afternoon by friends of the family. No arrests have been made, as it seems the supposed theft was only a joke.
